

# Parable of the Sower

Draw a line, matching the picture to what Jesus said it meant in the story.

Asks Jesus into their heart, but because things and money stay too important to them, they never mature and grow in God.

Hears God's Word and believes it. Always learning and growing.

Doesn't believe or want to believe God's Word.

Is excited at giving their heart to God, but when bad things happen or they fall into temptation and turn away from God.
