# Packet Contents

When you register your child onsite in room 500 Reception,  
you will receive a packet for each child.

## 1. Ticket

Each child will receive a ticket for their admission into Kidz Blitz Live! Tickets with the light blue banner and the light blue block with TH are for the Thursday, June 21st event. Tickets with the red banner and the red block with FR are for the Friday June 22nd event.

Every individual seeking to gain admittance into each day's event will need to present a ticket. Kidz Blitz Live will focus on children aged 5-12. However, if a parent or guardian wishes to attend the event with their child, they can do so by purchasing their own ticket.

Each ticket will have a unique number that will be assigned to the child upon registration. The ticket used for admission must be the ticket purchased for the child and match the number assigned to that child.

## 2. Bracelets

Each child will also receive two bracelets that will match the color and number on their Kidz Blitz Live tickets. One bracelet is for the child, and one bracelet is for the parent/guardian who will be checking in and picking up the child. No child will be admitted to Kidz Blitz Live without their assigned ticket, bracelet, and a parent/guardian with the matching color and number bracelet.

**\*If the parent/guardian has purchase their own ticket, they will receive a ticket with the same number that was assigned to their child. Their will only be one set of bracelets issued per child.**

# Check-in & Out Procedures

## Check-in

- The doors open at 1:15pm. Please enter the designated entrance door for Ballroom 500 (See Map).
- For children who are being dropped off: A parent/guardian must accompany each child, and that parent/guardian must possess the matching bracelet to the one the child has been assigned. The child's bracelet must match their ticket (number & color).
- For children who will be accompanied by a parent/guardian: The parent/guardian who is accompanying the child must possess their own ticket. Their ticket must match the child's ticket (number & color). In addition, the child and parent must be wearing matching bracelets (number & color). If the parent/guardian is accompanying more than one child, they must possess a bracelet matching each child's bracelet (number & color).

## Check-out

- Children who have been dropped off: Children who have been dropped off will remain in the main worship area following the Kidz Blitz Live event. Parents/guardians who possess a bracelet with the correct day's color (blue for Thursday, red for Friday) will be admitted into the main worship area through the main entrance at 3:15pm. They may then locate their child in the main worship area.
- All children leaving the exit doors of Ballroom 500 must be accompanied by a parent/guardian with a matching bracelet (color & number). Your child's safety is our top concern and as such, this process may take some time. Your patience is appreciated.
