2. Within 3-7 business days, you will receive your items. This will include a Leader's Guide and full set of posters. In addition, you will receive a set of trading cards and a set of bracelets for each child. You can preview the items by clicking the link.
3. If you are interested in Music or additional banners, t-shirts, custom printed materials, etc., select the appropriate link you will find on the KRK VBS page.
4. Since we are no longer asking for any upfront donations for the materials, we simply ask that you consider taking up an offering and contributing to the KRK VBS Ministry Effort. You can do so through by clicking on the giving link provided. You can also give toward the annual KRK Mission Offering Project through the normal channels. See www.krknaz.com for more information about the current offering.
