LET'S CONQUER OUR CITIES WITH AN ARMY OF PRAYER WARRIORS!

A challenge such as this one is no small task. It requires more than any of us, or all of us together, can possibly do. This challenge requires a spiritual breakthrough. It will take God moving upon and among His people in a way we have not yet seen on the Chicago Central District. That kind of breakthrough is possible only through prayer. I want to invite you to keep this brochure close to the places that you pray (in your Bible, by your dining table, at your desk), and use it to remind you to pray daily for a movement of God on behalf of these communities.

**Of the 44 English speaking target sites, 20 sites (16 city and 4 suburban) are located in areas that will specially facilitate ministry to the African American population.*

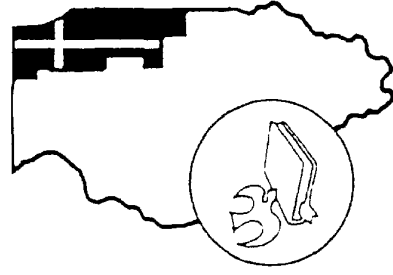

Note: Even though categorizing target sites by language groups helps us in the mission-planning process, the Chicago Central District seeks to establish inclusive, multi-lingual, multi-cultural congregations for the purpose of communicating the gospel of full salvation in Jesus Christ to all those who live within the boundaries of our district regardless of country of origin, language, race, gender, or economic status.

Christ died for all.
