II. Lecture

(25 Minutes)

Notes

Robert Raikes started the Sunday School in the 1770's, first to minister to prisoners. They were not receptive. Raikes still hoped to bring moral change to his society, so he started a school for children. The only time available for these working children was on Sunday.

In 1780 John Wesley adapted the Sunday School to fit the Methodist movement. In the next four years, the number of Methodists jumped from 50,000 to 250,000.

Here is the point:

1. Sunday School has always changed to meet needs.
2. Sunday School can be adapted to our culture and times.
3. Here are some marketable adaptations of Sunday School.

The Sunday School is **FAMILY** fellowship around God's Word.

- In your mind's eye yank Sunday School out of the typical classroom and place people in a living room.
 - The class **FOSTERS** fellowship.
 - The classroom setting is to be **RELAXED** and inviting.
 - Imagine soft chairs, sofas, and lamps instead of chairs and tables.
 - Sunday School **INVITES** people to enjoy the learning experience in a relaxed atmosphere.
- Families **ADOPT** the Father's values and behavior
 - Christian education cannot stop with merely learning **IDEAS**.
 - Christian education results in **VALUING** what is important to God.
 - Education through Sunday School **CHANGES** behavior.

The Sunday School is an **EVANGELISM** task force.

- The successful Sunday School class will be **OUTREACH** oriented.
- Sunday School classes will **MOBILIZE** adults to become inclusive.
- An evangelistic Sunday School class will **TRAIN** people to develop

friends among sinners.

- Sunday School will **OFFER** hospitality as a priority service.

The Sunday School is a pastoral **CARE** unit.

- Sunday School classes will assure its members are **NURTURED** spiritually.
- Classes will **PRAY** for emotional and physical healing.

Classes will **EMPOWER** people to relate well socially.

Sunday School can be **EXPLAINED** in new ways (as suggested above).

The important question is: How do we **COMMUNICATE** these ideas to people?

III. Small Group Exercise

(15 Minutes)

The small group exercise portion of the module provides an opportunity for the teams to discuss the information presented and how it applies to their church.

Turn to the Small Group Exercise portion of your participant handout. Work with the team members from your church to complete the questions. You will have 15 minutes to complete the questions.

Remain available during the exercise time to answer questions. Announce to the group when five minutes remain. Again announce to the group when two minutes remain.

IV. Discussion

(5 Minutes)

The discussion portion of the module provides an opportunity for people to share their thoughts about the purpose and importance of Sunday School.

If you're ahead of schedule, the discussion can go a few extra minutes.

IV. Discussion (cont.)

However, it's easy to lose track of time so watch the clock.

Call the group back together and open the floor for discussion. If the group is hesitant to discuss, start with one of the questions they discussed during the exercise.

Questions from Small Group Exercise

1. Add to the following ways to communicating the values of Sunday School:
 - a. Pulpit announcements
 - b. Personal explanations
 - c. Descriptions in the newsletter
 - d. Listing of classes in bulletin
 - e. Invitations mailed to non-attenders
 - f. Retraining the leadership team
 - g. Running all programs of the church through the Sunday School classes
 - h. Plan a high-visibility event through the Sunday School
 - i. Honor teachers and/or class officers publicly
 - j. Give testimonies of Sunday School's successes
2. Which four ways will best communicate the new Sunday School?
3. Which of the following facts most impress you?
 - a. The religious consciousness of America was shaped by Sunday School.
 - b. America's language and symbolism is heavily influenced by the Bible.
 - c. Twenty-four percent (24%) of America is in Sunday School every week. — The Gallop Poll
 - d. "Sunday School is the small group method of choice for large and fast growing churches." — John Vaughn, Church Growth Today
 - e. "As goes the Sunday School, so goes the church" — Bill M.

IV. Discussion (cont.)

Sullivan

- f. “Sunday School Christianized America.” — Bill M. Sullivan
- g. Growing churches usually have growing Sunday Schools.
— Nazarene Church Growth Research Center
- h. America wants to study the Bible. — Princeton Religion Research Center, The Unchurched American
- i. Eighty-six (86%) percent of America want their children to receive religious instruction. — Princeton Religion Research Center, The Unchurched American
- j. “Sunday School can live again if we are willing to love again.” — Bill M. Sullivan

How can these facts be used to heighten the importance of Sunday School?

V. Action Planning/Reporting

(20 Minutes)

This section gives the participants an opportunity to discuss their plans for using this information when they return to their churches, as well as how they will share the information with others.

The homework assignment for this module is:

Based on the responses to the questions in the Small Group Exercise, develop an action plan for communicating the value of Sunday School. Also, develop a plan for two teaching opportunities where the material from Revitalizing Sunday School is taught.

Let’s take about 20 minutes to discuss how you will use begin impacting your Sunday School when you return to your church. In your material you have an Action Planning/Reporting page with your homework assignment. In your teams discuss and document how you will complete this assignment before we meet again. You will probably need to continue this discussion when you return home.

VI. Module Wrap-Up

(5 Minutes)

This section provides an opportunity to close the module.

- Ask participants to share their thoughts about the module.
