Team Central Cross Training

Tim Gates, Senior Pastor at St. Cloud, is a highly experienced and certified New Start Specialist. I have asked Tim to lead the August 21, CrossTraining event.

Encouraging: 43 New Churches started since 2000

Sobering: 17 closed

Reality: 26 survived

Our Future: Hinges on successfully planting 60 churches by 2020

I know... it sounds impossible. You're right... *we* can't do it. *But God Can!* Will you plan to attend this critically important event? Are you willing to invest 1/2 a day in the future of the CON in Central Florida?

My hopes are that you will be there. I'm counting on you.

Larry Dennis, District Pastor
