

The Reverend Timothy Moore
844 W. Hickory
Any City, IN 47390

Dear Brother Moore:

Welcome to your new assignment on the Northwestern Ohio District. We are delighted that the Lord has directed you to this place. It is our prayer that your ministry among us will be the richest and most fruitful you have ever known.

To assist you in the process of becoming orientated to your new assignment, I am taking the liberty of enclosing some information I believe will be helpful. I hope you will review the current District Assembly Journal along with the other items contained in this brochure and thoroughly familiarize yourself with the district program, statistics and personnel. Will you please give special attention to the enclosed brochure relating to a *"Basis For Understanding Between the Superintendent and Pastors?"*

The District Office and District Parsonage, which are located at the District Center in St. Marys, are always open to you. I hope you will visit us often. Let this be a place of counsel and prayer. Because my office hours often vary, it would perhaps be better for you to make an appointment before coming to see me on specific items of business. We would, however, be glad to have you just "drop in" on us when you are in the area.

You may be confident of our willingness to cooperate and work together with you in the thrilling task of building His Church in your community and on the Northwestern Ohio District.

May God bless you, and once again, WELCOME to your new assignment on the Northwestern Ohio District.

Serving together,

Larry R. Fairbanks
