We had ups and downs from 1955 on, survived that Friendship Church would

be saved and replaced. This was a time when our church was at a crossroads.

The First Friendship was located on the site of the old Friendship Church.

It was a church built in 1914.

It was the first church we organized and located at 3149 Colfax Avenue South,

East. It was in 1952 that we had 4 members.

The First Sunday School was started.

The vision of the present church building was to house a church. On August 1, 1952,

because a church was needed at 3149 Colfax Avenue South.

I believe the message I recall is that God will provide.

In 1933, the church decided to purchase the property.

The church paid a price to the owner of the property.

In 1933, the church paid $1,000.

I believe the message is that God will provide.

In 1937, the church was closed.

I believe the message is that God will provide.

The church was in the hands of Mrs. Minnie Johnson.

After a while we needed a place to worship and they were sold.

I believe the message is that God will provide.

In 1939, a young woman, I believe her name was Mrs. Minnie Johnson.

She and her husband ran the church.

I believe the message is that God will provide.

I believe the message is that God will provide.
